**Subject: Guidelines for Procurement of Ragi during Kharif Marketing Season (KMS) 2019-20
under Odisha Millets Mission**

The Government of Odisha has launched the Special Programme for Promotion of Millets in Tribal areas (Odisha Millets Mission) to revive millets in farms and on plates. Considering the nutrition benefits of millets, it has decided to include millets in Public Distribution System (PDS), Integrated Child Development Scheme (ICDS) & Mid-day Meal (MDM) schemes of the State of Odisha. Ragi based entitlements will be included in PDS and ICDS scheme during FY 2019-20. In this context, Government of Odisha has approved procurement of Ragi through Tribal Development Cooperative Corporation of Odisha Limited (TDCCOL) like the previous year. This procurement policy explains the process of procurement of Ragi from the farmers.

1. The objectives of this policy are:

- a. To operationalize procurement of Ragi at Minimum Support Price (MSP) conforming to Fair Average Quality (FAQ) norms.
- b. To facilitate promotion of millet production in a sustainable manner through assured market support.
- c. To explore market for disposal of surplus Ragi to be procured over & above the requirement in PDS, ICDS & MDM scheme.

The procurement process shall follow the procedure described below:-

2. Farmer Registration

2.1. New Registration

- 2.1.1. Farmers willing to sell Ragi shall have to register by submitting their personal, land and bank account details as per pre-designed registration form available on-line under M-PAS portal at respective Primary Agriculture Cooperative Societies (PACS) / Large Area Multi-Purpose Cooperative Societies (LAMPCS).
- 2.1.2. Ragi farmers have to provide information about their identity proof in terms of Aadhaar and Bank pass book in the registration form.
- 2.1.3. Ragi farmers shall also register their names for selling of Ragi which has been grown in the lands given under the Forest Rights Act.
- 2.1.4. The same ID proof will be used as the farmer identity card to sell his produce at the Ragi Procurement Centre (RPC) / Mandis. Applications of farmers growing Ragi under FRA lands shall be considered for procurement.
- 2.1.5. In any case the Ragi farmer or sharecropper is unable to produce the RoR for some or the other reason thereof; they will be registered as Ragi grower for procurement provided a certificate to this effect by the VAW / AO/ Sarapanch / AAO / BAO of the concerned area is attached.
- 2.1.6. After digitalisation at PACS/LAMPCS, manual verification of non "Bhulekh" land records will be carried out by AO/ VAW/ AAO/ RI/ Sarapanch and bank account details of the Ragi growers by the nodal banks respectively.
- 2.1.7. The updation of validated data at Branch Manager (BM) TDCCOL level shall be allowed by taking printout for each farmer and issuance of acknowledgement slips to each farmer registering.
- 2.1.8. The PACS/ LAMPCS will encourage small and marginal farmers to register themselves for Ragi procurement and will digitize farmers' applications for registration in the online Millet-Procurement Automation System (M-PAS) portal. **The forms will be printed by respective LAMPCS/PACS and made available to the Ragi growers under their jurisdiction.** Awareness among farmers about Fair Average Quality (FAQ) norms shall be made well in advance so those farmers with dry and clean Ragi confirming FAQ standards come to the RPC/ Mandies.
- 2.1.9. The last date for online registration of applications will be 31st December 2019 as the harvesting of Ragi coincides with the harvesting of paddy. Till then registration verification and procurement will continue simultaneously. However, any change in the timeline for registration of application shall be made by Department of Agriculture and Farmers' Empowerment.
- 2.1.10. Ragi will be procured by TDCCOL only from the farmers those registered under Millet Procurement Automation System (M-PAS) by PACS/ LAMPCS.

2.2 . Renewal of Farmers already Registered in Kharif 2018-19

Farmers who got registered during Kharif season of KMS 2018-19 need only to renew their registration through the society. Following steps are to be followed for the renewal process:-

- 2.2.1 It would be the responsibility of societies to make available to farmers the relevant renewal forms. Farmers visiting the society office in connection with Kharif loan can also be handed over the said forms.
- 2.2.2 The society secretary will download the renewal form for the farmer concerned from the 'renewal form for kharif 2018-19' tab available under society login. Alternatively, the society secretary can download renewal forms for all farmers having farmer ID in last kharif season.
- 2.2.3 The renewal form will have four parts. Part I- of the renewal form deals with the farmer's personal details. If the farmer wants to change the bank account details, then he has to provide photo copy of the first page of bank Pass Book along with this form. Similarly, for the changes in respect of any identity details (BK KY/KCC/EPIC) and incorporation of Aadhaar Number, Photocopies of relevant documents need to be submitted along with the form.
- 2.2.4 Part-2 of the renewal form has the details of the land (irrigated/non-irrigated) cultivated in the last Kharif Season 2018-19. It has khata/plot number and area apart from other details. No action is to be taken in this part either by the farmer or by the society.
- 2.2.5 Part- 3 of the renewal form contains a declaration. If a farmer has taken up cultivation of plots shown in part-2, has to sign a declaration to that effect in part 3 which would mean that the said lands need to be automatically updated with a single click by the society secretary.
- 2.2.6 Part-4: If there are any changes in cultivation during this kharif, a farmer has to provide details of changes in land particulars shown in Part-2.
